### Church History

Since its inception in 2005, the Friends of the Shrine of Our Lady of Mariapoch have been busy increasing awareness of the shrine, scheduling activities as well as the annual pilgrimages, holding fundraisers for its support, maintaining the buildings and grounds, enlisting volunteers to help and making necessary improvements.

The Shrine of Our Lady of Mariapoch is now open for the summer season. A Byzantine Catholic Divine Liturgy is celebrated every afternoon at 3:30 p.m. The cafeteria features home-cooked meals after Divine Liturgy and at special events as scheduled. Groups are welcome to come for days of recollection or retreats at the shrine; the facilities can also be used for wedding receptions and family reunions and gatherings.
